

BC25

## Beverage Chiller

Entertain your guests with professionally designed and culinary created Beverage Chiller. The 25" Beverage Chiller is a fully insulated compartment that can hold up to 17 gallons of ice to chill your refreshments. Its deep depth can comfortably sit long bottle neck beverages and wine bottles. The removable commercial grade condiment container is food safe to help prepare a buffet of cocktail accessories.

Brushed Stainless Steel

## Dimensions

Depth	21 15/16"
Height	Ⓐ 10 3/8"
Width	Ⓑ 21 1/16"

## Features & Benefits

### Flexible storage

The DCS Beverage Chiller comes with removable condiments storage containers with transparent lids. It is deep enough to store tall wine bottles.

### Multi purpose

The DCS Beverage Chiller can be plumbed to convert to an outdoor 25" sink.

### Premium quality design

Constructed from 304 grade stainless steel, and superior weld and finish, the DCS Beverage Chiller is built to last. Insulated double walled construction.

### Family match

The neutral stainless steel finish and consistent detailing ensure DCS Built-in Products will install seamlessly into your desired counter top and cabinetry material palette.
